Roads+SM announces endorsements for 2024 November general election

LANSING, MI — Roads+SM, the political advocacy arm of the County Road Association (CRA) of Michigan, has endorsed 58 House candidates for the 2024 November General Election.

Roads+SM is a panel of county road leaders and industry stakeholders from across the state who work to advocate for local road issues and supportive candidates from the Lower and Upper Peninsulas. Roads+SM endorses candidates with proven track records, relationships with their road agencies and understanding of the entire road right-of-way system including roads, bridges and adjacent facilities.

"Our Roads+SM trustees have once again endorsed a robust bipartisan slate of candidates and incumbents who will be on the General Election ballot for State Representative," said Denise Donohue, Roads+SM treasurer and CEO of the County Road Association of Michigan. "These endorsements represent some excellent local transportation advocates and leaders across the state."

"At a time when state road funding is no longer keeping up with even normal inflation, high-efficiency, hybrid and electric vehicles' lack of fuel tax threatens the future of the Michigan Transportation Fund, we need a Legislature committed to taking on these issues for quality of life and business in Michigan," concluded Donohue.
