Cold Patch Materials CCRC Bid No. 19-03

The Cheboygan County Road Commission will accept sealed bids for supplies pertaining to Cold Patch Materials. All Materials shall meet current ***MDOT Standard Specifications for Construction, 2012***.

These mixtures shall be capable of being loaded into trucks or patch trailers by either hand shovels or power loading equipment; shall be sufficiently workable immediately after preparation or over a period of at least 6 months in a stockpile for placing with shovels, rakes, or other hand tools; and shall readily compact by hand tamping, hand or power rolling, or under action of traffic at the temperature of mixing or at temperatures as low as 15 degrees Fahrenheit. The mix shall remain in place when used to patch wet or dry pavements and shall be stable under normal traffic conditions.

Safety Data Sheets and certification of all material shall be provided by the bidder at time of order.

Bids shall be submitted on the enclosed CCRC Cold Patch Materials Bid Sheet in a sealed envelope clearly indentifying the bidder and marked "Cold Patch Materials".

Bidders shall include written statement of allowable discounts and terms of payment. Bid prices shall be valid for a period of one year from date of award.

Bids are due at ***9:00 a.m. on Tuesday, February 19, 2019***, at which time, the bid will be publicly opened and read aloud. Bid results will not be available until they have been tabulated and presented with recommendations and approved by the Road Commission Board at their next regular meeting on February 21, 2019.

Cheboygan County Road Commission reserves the right to accept or reject any and all bids, in whole or in part; to waive irregularities or informalities; and to award bids, in whole or in part, as deemed to be in the best interest of the Cheboygan County Road Commission.
