## **Road Commission for Montcalm County manager to lead statewide road association**

LANSING, MI – Local superintendent/manager Mark Christensen of the Road Commission for Montcalm County (RCMC) has been elected 2023-2024 President of the County Road Association (CRA) of Michigan. Christensen served as CRA vice president for 2022-2023.

Christensen has worked for RCMC for 25 years, serving in several capacities. After serving five years as superintendent, in 2013 the Board created a dual-role position to allow him to serve as both superintendent and manager.

“I’m looking forward to serving the members of CRA as the new board president,” Christensen said. “Together, we can improve the outlook for county roads in Michigan, and I’m excited to be a part of that and serve

my peers in the other 82 county road agencies.”

The 83 members of the County Road Association of Michigan represent the unified voice for a safe and efficient county transportation infrastructure system in Michigan, including appropriate stewardship of the public’s right-of-way in rural and urban Michigan. Collectively, Michigan’s county road agencies manage 75 percent of all roads in the state, including 90,000 miles of roads and 5,700 bridges. County road agencies also maintain the state’s highway system in 63 counties. Michigan has the nation’s fourth-largest local road system.
