Former Menominee County Road Commission finance manager receives statewide Distinguished Service Award

LANSING, MI – Menominee County Road Commission (MCRC) retiree Lisa Savord was honored by the County Road Association (CRA) of Michigan with a Distinguished Service Award at the 2023 CRA Highway Conference held March 22 in Lansing.

Distinguished Service Awards recognize road agency staff and commissioners who have dedicated their time and service in an outstanding manner to the advancement of the county road and bridge system in Michigan.

CRA recognized Savord's hard work and commitment as finance director for MCRC. Her 14 years of service had a positive influence on the road commission and all Menominee County drivers.

"Road commissions would not be able to function without their amazing staff," said Denise Donohue, CRA CEO. "Lisa's commitment as finance director is much appreciated by both her road commission and our statewide association."

The 83 members of the County Road Association of Michigan represent the unified voice for a safe and efficient county transportation infrastructure system in Michigan, including appropriate stewardship of the public's right-of-way in rural and urban Michigan. Collectively, Michigan's county road agencies manage 75% of all roads in the state, including 90,000 miles of roads and 5,700 bridges. County road agencies also maintain the state's highway system in 63 counties. Michigan has the nation's fourth-largest local road system.
